All sessions start at the times listed above. You may register in advance using the form on the Council web site (preferred) or register at the door beginning 30 minutes before the start time listed. Pre-registration is required for the Thursday, April 16 session, and all Venturing Leader Training, Varsity Coach Training, Leader Outdoor Experience and Introduction to Outdoor Leader Skills. Please register in advance to ensure that we have enough materials for you.

If you have previously taken some Scout Leader training in any Council or District (like New Leaders Essentials), please bring your training card or other certification with you. It helps keep our training records better up to date and confirms when you may wear the Trained strip.

For additional training information see the GSLAC web site (www.stlbsa.org) or contact:
