

BACKWOODS

The outdoors is an exciting, inviting place to be experienced and shared. Along with the experience comes personal responsibility for our actions and conservation of nature. We must become stewards of our environment which is most certainly character building. These things are a big part of what **Scouting** teaches.

The mission of **Backwoods** is to inspire others to lead active, adventurous lives. We accomplish this through personal outdoor experience and communication about the “outdoor world” to others. We want people to “go outside” and get the most personal fulfillment possible. To make the experience more enjoyable, Backwoods makes a point to offer products that keep people safe, warm and dry.

Outdoor enjoyment and personal fulfillment go hand in hand with Backwoods, and with scouting. In an effort to make the outdoors and the required products accessible to more scouts, Backwoods offers a 15% savings on purchases of \$10 or more to assist in the ownership of specific outdoor gear (see list below) for scout use. Enjoy the outdoors in comfort and security.
