

## **Invitation to Past & Present Scouters in Boone Trails District Annual Dinner To Commemorate 100 Anniversary of Scouting**

GSLAC BSA Boone Trails District will be honoring 7 scouters with the Boone Award at this year's annual dinner on January 22<sup>nd</sup>, 2010 at Stegton Banquet Center in St. Charles.

In addition to present scouters, we would also like to extend a personal invitation to past Boone Award recipients to attend this year's annual dinner as part of Scouting's 100 year anniversary. Bring your Boone Award statuette and join us for this very special annual dinner, which has been 100 years in the making! Tickets are \$15.00 per person; payment should be made to GSLAC, and mailed directed to council Attention: Boone Trails District Dinner, 4568 West Pine Blvd. St. Louis, Mo. 63108-2179.

To honor the contribution of past recipients, there will be a video tribute of photos taken of leaders while serving Boone Trails District. If you have individual or group photos taken when you were presented the Boone Award, please forward via email to me at [anngastler@charter.net](mailto:anngastler@charter.net) so we can include them in our tribute. Please identify the people in the photo, as well as the date if known. In addition, if you have other candid photos of yourself or other scouters from Boone Trails, we'd like to include those as well. In addition to identifying the people in the photo and date, please include the event if known. If you don't have the ability to forward via email, please contact me at 636-928-5661 (home) or 314-604-7344 and I will pick up your photos to scan them, and return the original to you. Or photos can be mailed to me at 301 Universal Drive, St. Peters, MO 63376 – again, I will return originals by mail after scanning. In addition, we're trying to collect programs or biographical booklets from past annual dinners beginning in 1968 to the present time. If you have programs or booklets from past recognition dinners, please contact me via email to make this part of our district's archives. But the most important thing you can bring is yourself, so we hope to see you at the dinner. Please RSVP to me via email or phone to let me know if you will attend or not.

Whether you're currently registered as a leader or have been registered in the past, each of you made an invaluable contribution to scouting in Boone Trails District. This 100 year anniversary is possible because of that contribution. Come join us at the annual recognition dinner and be a part of that scouting history for one more night.

*Ann Gastler*
