

# LEADER OUTDOOR EXPERIENCE

Please plan to arrive at the training site on or before the published time. Please bring a snack to share with the participants of the course during our Crackerbarrel; a gathering of people for fellowship and fun. **This is a 30 hour program and requires you to be present the entire 30 hours to be considered trained.** We will provide your lunch and supper on Saturday as well as breakfast on Sunday, program materials, your tent for the night, demonstration materials, and a recognition emblem at the conclusion of the course.

Upon arrival, we will assign you to a den. Our policy has been to separate leaders from the same unit. You will not be able to stay in the same tent as the other leader, so do not plan to share items. This will allow you to meet more people and the opportunity to learn more new ideas.

The tents provided are two-person, 7 x 9 wall tents exactly like those used during Summer Camp. We want you to be familiar with them. These tents do not have a floor so you will need to bring a ground cloth or piece of plastic to put under your things. You may bring a cot, a mattress, or a waterbed, but remember...**you'll have to carry it.**

Listed below are the items you will need to bring with you for the Overnight Training:
