WOOD BADGE

Did you know: ...WOOD BADGE is the BSA's premier training course?

...many, many Scouters who've completed Wood Badge feel it was a life-changing experience and it helped them become better leaders and persons?

...that it is open to ANY trained leader in the BSA and there is a course next month?!

Wood Badge for the 21st Century is the BSA's only Advanced Training course.

Participants learn many core proficiencies including Project Planning, Managing Conflict, Leading Change, and Valuing People & Leveraging Diversity. The course takes place in an outdoor setting but the focus is on leadership, not Scoutcraft. Most courses are held over two 3-day weekends. The upcoming spring dates for 2009 are: May 15-17 AND May 29-31.

If you would like more information about the spring Wood Badge course, please contact District Training Chairman Larry Mundhenk at ssunbear@earthlink.net. Also, if you would like to attend but need financial assistance OR help getting time off from your employer, Larry can have the Council Training Chairman contact you with more information on these services.

SCOUTMASTER MINUTE

(Have an apple and a plate with a few apple seeds)

If I gave you a choice, which would you rather have, the apple or the seeds? I guess most of us would choose the apple.

A long time ago there was a guy who would have taken the seeds. He was a nut about apple seeds - so much so that people called him Johnny Appleseed. For many years he walked across hundreds of miles of our country, back when most of it was frontier land, and everywhere he went he planted apple seeds. The trees from those seeds fed many thousands of people in later generations. That's real long range planning!

Many of us are interested mainly in the present. We don't think ahead like Johnny Appleseed.

Maybe you don't want to go around planting apple seeds like he did. But there's another kind of seed you should be planting every day - the seed of good feelings between you and your fellow man.

You can do it by living our slogan, "Do a Good Turn daily. " Every time you do a Good Turn , you are planting a seed of good feeling. That seed may start the growth of a tree of Good Turns in each person you help. So that one Good Turn may lead to many other Good Turns through the years, affecting the lives of hundreds of people.
