

USSVI EAGLE SCOUT RECOGNITION PROGRAM

The USS Springfield Base under the direction of the National Headquarters of the United States Submarine Veterans, Inc. (<http://www.ussvi.org>) put together this flyer to outline a new program for the recognition of Eagle Scouts throughout the Greater St. Louis Area Council.

We wish to provide recognition to Eagle Scouts throughout the nation to honor them for the achievement of this most lofty goal. We understand that the Eagle Scout had many hurdles to overcome. And similar to the way a submariner must overcome hurdles and pass his final review board to qualify to wear the coveted Dolphins, the Eagle must also qualify to wear the Eagle badge as evidenced by completing his Eagle Scout boards of review.

This recognition will consist of the following:

- 1) A Certificate as shown below signed by the Central Region Chairman for Eagle Scout Recognition and the Base Commander of the USS Springfield Base:

2) A Patch as shown below to wear as a sign that the Scout has received this recognition:

3) If it is possible, the award will be presented to the Scout at his Court of Honor by a representative of the USS Springfield Base.

To ensure that your Eagle Scout receives this recognition please give us at least 4 weeks notice and provide us with the following information:

- 1) Name to place on Certificate (exactly as you wish it to read)
- 2) Date and Time of the Court of Honor
- 3) Location of the Court of Honor (address and directions if known)
- 4) Contact person name and Mailing address (to mail the certificate and patch in case we cannot attend for some reason)
- 5) Phone Number where contact person can be reached (if necessary)
- 6) Send this information to:

By snail mail:
Randall S. Allen
15543 Summerridge Drive
Chesterfield, MO 63017

Or Send it to me in an email message to: v-cdr@springfieldbase.org

I will respond letting you know whether or not a representative will be attending the Court of Honor so you may include his name on the program. If a representative will not be attending, I will get the items together and ship them to you so you may have someone present them on behalf of the USSVI. (We will make every effort to have a representative attend the Court of Honor.)

NOTE: The Springfield Base representative will normally bring these items to the Court of Honor to present to the Scout. All USSVI members are Veterans of the US Navy and were qualified to wear the Dolphins of the US Navy's Submarine Force.
