

2009 Gravois Trail District Camping Award

The goal of the camping program is to provide as many camping opportunities as possible. To encourage camping activities, we will track all Gravois Trail overnight camping opportunities. These includes family campouts, Dad and Lad, Mom and Me, Parent and Pal, Webelos Mini-camp, Webelos Weeklong, Camporees, and Pacaos.... ANY OVER NIGHT OPPORTUNITY!

At the end of the year we will recognize the top camping units. Due to the unequal size of troops, units will be tracked by the number of nights per pack. We will also track the number of nights for Cubs and Scouters to get a total for the year. Each month, track the number of nights your pack provides for camping. Report this data to Jackie Noel, Gravois Trail Camping Chair. Use either this form, or send an email to jnoel1805@sbcglobal.net. (Sorry, I can't accept faxes)
