Activities

Chairman Megan Kovacs

- Day Camp – Camp Clydesdale is on. We have 2 days of cancellations. Clydesdale is problem because it is our biggest day camp, but the shelter is not large enough to hold our numbers during inclement weather. We are looking for other location. St. John United Church of Christ is a good possibility, since they have a large shelter, and also big inside facilities – Gym and Dinning Hall.
 - July 14, 2009 is church council meeting – Alexia's father is in the church council.
 - Church's shelter doesn't have picnic table – it is great opportunity for Eagle project
 - Church has big parking
 - Safety issue – we have to be sure that place for Day Camp is safe for Scouts
- Bee Tree Day Camp is coming – June 23-25, 2009 – they are in good shape
- Simpson Park Day Camp – July 7-9, 2009 – we still need someone for Archery
- Sylvan Springs Day Camp – July 20-24, 2009 – it is 3rd and last year for camp director Dennis Holland – we are looking for someone for next year to take over.
- Memorial Good Turn was success – we had over 5000 participants. Memorial Day Committee helped 3 scouts to go to the camp this year.
