

PATROL KLONDIKE SLEDGE PLAN

The diagram above is a SUGGESTED plan for your KLONDIKE SLEDGE. You may want to develop your own plans, decorations, or maybe even build your sledge from native material. Most of the material you'll need can be secured at low or no cost from lumber yard scrap piles and from materials that may be found in parent's garages. Keep these points in mind as you build your sledge.

SUGGESTED MATERIALS

2 pcs	4" x 6" x 6"	RUNNERS
6 pcs	1" x 1" x 24"	CROSS SUPPORTS
4 pcs	3/4" x 4" x 5'	FLOOR SLATS
