

District Scout Info

100 years of Scouting

The purpose of this form is to gather District-Wide information on Membership in the District to include the Scouting History of **ALL** generations for the 100th Anniversary. We are asking **everyone** (Scout and Scouters) to please take the time to fill out a form and turn it in to chart the generations of Scouting in the Osage District. We intend to make a display showing how the Osage District has grown and evolved over the years.

Do you have any old pictures to share ? Do you have any history of past generations in Scouting ? If so, we would like to use them.

The display will be shown @ the 100 year Celebration of Scouting in the Osage District on March 20th located at the East Central College campus in Union, MO.

Any information given will only be shown with permission from the contributor. Please fill out the following form and return it to your Scout Leader to bring to the February Round Table Meeting on Feb 2, 2010. Scout Leaders, Please collect what information is available from your Troop and ANY Prior Scouts or Scouters.

Information should include Names, Dates, Activities, Points of Interest or any information pertaining to Scouting. You can include special moments, dates, or activities that may be of interest to anyone.

Please understand we will use as much information as possible to feature your history. Please do not send any original documents or pictures you expect to have returned as that may not be possible and we would hate to have anything lost.
