Scout  
Reservation

Beaumont Scout Reservation has long been a wonderful place for young people to enjoy. Over the years, thousands of Scouts and Scouters have been a part of the rich Scouting history.

Now you have a chance to make a lasting impression on the future of Scouting.

By purchasing a brick, you could recognize someone who has helped steer you along the right trail.

Clay, water and sand are mixed in the right proportions and then shaped and molded produces a brick.

Scouting has many ingredients that help to shape young men to become good citizens. Your influence, when added to that of others makes the Scouting program successful.

**YES!** I want to make a lasting impression. Please etch the following name(s) in a 4" X 8" brick (limited to 28 characters, including spaces).
