Camp Staff Scholarship Fund

BOY SCOUTS OF AMERICA

Each year, the Greater St. Louis Area Council employs approximately 150 high-school and college students to work on our summer camp staff. These young men and women are our best Scouts. They are primarily Eagle Scouts with strong reputations of good character, leadership ability, and personal responsibility.…

A scholarship fund program was started to recruit and retain summer-camp staff members of the highest caliber. The scholarships are available for camp staff members who have completed their high-school education and are enrolled as full-time undergraduate or graduate students. Scholarships start at $250 for Scouts who work one summer, increasing to $1,250 for those who've worked five summers or more.

The Camp Staff Scholarship Fund was created to provide a perpetual source of funds for the future.
